

# Natklor<sup>®</sup>

Sodium Chloride 5% Eye drops

Preservative Free

## For the temporary relief of corneal oedema

- Preservative free, sterile, hypertonic, biocompatible, buffered, ophthalmic solution with Sodium chloride 5% and Sodium hyaluronate.
- The absence of preservatives reduces the risk of adverse reactions and makes the product also suitable for therapies that require frequent and prolonged applications, such as for nocturnal corneal protection.
- Product compatible with homeopathic treatments.

### Indications

For temporary relief from the signs and symptoms of corneal oedema.

### Instructions for use

Instil one or two drops in the affected eye(s), one or more times a day as needed for symptoms relief or as advised by your specialist.

### Warnings

- Do not use if you have an allergy or hypersensitivity to any of the product's ingredients.
- Do not use the product in case of ocular injuries.
- Do not use the product if the bottle appears to be damaged.
- Do not use the product after the expiry date stated on the Carton and Bottle Label.
- Use within 180 days of first opening.

- Do not let the tip of the bottle touch your eye, eyelid or any other surface.
- Administer the product at least 5 minutes before or after the administration of other topical ophthalmic products.
- Close the bottle firmly after use.
- Store in a dry place at temperatures between 5 and 35°C, keep away from heat sources.
- Keep out of the sight and reach of children.
- For external ophthalmic use only, do not swallow.
- This product is not compatible with contact lenses.
- The use of the product may induce burning sensation and temporary eye irritation. In case the problem persists or in case of ocular irritation, please consult your specialist.
- Dispose according to the local laws.

### Composition

5% Sodium chloride, Sodium hyaluronate, hypertonic solution buffered to pH 7.2.

### Does not contain

Preservatives, Benzalkonium chloride, Chlorhexidine, Parabens, Phenoxyethanol, Thimerosal, and components of animal origin.
